Dear Mike, thanks for your expäänation with the pages enclosed with your 5/4. I'll put this aside for when I can pay attention. I wish I could find more time for that subject. We agree on the potential. ...Still no word on those other pages, no return of check, no response to letter. I'd think someone there doesn t love me if I did not know that all of them love everyone.

Thanks and best,

HW 5/7/77
